GENTEXT/REMARKS/1. Reference (A) is cancelled. The new NAMP, COMNAVVAIRFORINST 4790.2C, is effective immediately. Implementation of new procedures must be completed no later than 15 April 2017. During the implementation period, COMNAVVAIRFOR and Wing inspection teams will take implementation progress into consideration during AMIs and MPAs.

2. COMNAVVAIRFORINST 4790.2C is a major revision that includes complete rewrites of Chapters 1, 2, 7, 10, and 12, and multiple changes in Chapters 3, 5, 6, Appendix A and Appendix E. Maintenance managers should read the entire NAMP "HIGHLIGHTS" and review specific sections applicable to their operations.

3. The revision also converts all CNAF numbered forms to OPNAV numbered forms. The new OPNAV forms can be downloaded from Navy Forms Online at <https://navalforms.documentservices.dla.mil/web/public/home>.

## Form implementation procedures:

A. Aircraft and Equipment Logbook and record forms (Technical Directive page, Assembly Service Record, SE Custody and Maintenance History Record, etc.) in existence as of the date of this message do not have to be converted to the OPNAV numbered form until the existing CNAF form is full or must be consolidated.

B. Designation forms (QAR, Plane Captain, etc.) in routing for signature as of 23 Jan 2017 may remain on the CNAF numbered form. All designations effective 01 Feb 2017 or later must be made on the new OPNAV-numbered form.

4. Activities must replace all previously downloaded copies of the NAMP with COMNAVAIRFORINST 4790.2C. The new NAMP can be accessed via the web at: [HTTP://WWW.NAVAIR.NAVY.MIL/LOGISTICS/4790/](http://WWW.NAVAIR.NAVY.MIL/LOGISTICS/4790/). The NAMP can be downloaded as a compressed file (NAMP.ZIP) by selecting the "NAMP DOWNLOAD" link. Downloading the complete NAMP provides full NAMP search capability. Users who encounter download or website connectivity problems should contact their Wing for assistance. If problems cannot be resolved, send email to [NAMP.4790.FCT@NAVY.MIL](mailto:NAMP.4790.FCT@NAVY.MIL).

5. The updated Computerized Self Evaluation Checklist (CSEC) has also been posted to the NAVAIR website. Activities will immediately begin to use the updated CSEC to conduct audits and monitors. The previous CSEC database will be retained for a minimum of one year for record purposes.

6. CSEC user guidance, installation instructions and program download links are available at: [HTTP://WWW.NAVAIR.NAVY.MIL/LOGISTICS/CSEC](http://WWW.NAVAIR.NAVY.MIL/LOGISTICS/CSEC). For assistance with CSEC software issues, contact ADC Anil Ramdeen, TEL: Comm (301) 757-9145, DSN: 757-9145, email: [ANIL.RAMDEEN@NAVY.MIL](mailto:ANIL.RAMDEEN@NAVY.MIL).//
